## Lower Your Buddy!

Our adjustable Scooterworks Low Down shock can lower the Buddy seat height by 1<sup>1</sup>/<sub>2</sub>"", giving you a new seat height of 28<sup>1</sup>/<sub>2</sub>". When this is combined with the Buddy Low Profile seat, the seat height decreases an additional 1<sup>1</sup>/<sub>2</sub>", for an overall drop of 3", bringing the total seat height down to 27"!
